

LESSON 4 - HE IS ENOUGH

Last week we studied God is Holy; He is my Comforter; He is my hiding place; and He is my defender. As a short review let's go over the four points we covered:

- ◆ He is Holy - God's holiness makes all His other attributes stable and true.
- ◆ He is my comfort - Since God is the comforter, there is no one who can comfort like He does. He comforts me when I mourn - he dries my tears. He comforts me when I'm afraid and when I walk through the valley of the shadow of death.
- ◆ He is my Hiding Place - a safe place when the storm of life is raging.
- ◆ He is my Defender. When I'm in trouble, I will not be afraid. I will Stand firm and see_ the deliverance from the Lord. I shall be calm and watch Him work.

Do you feel like a bee yet? Knowing that you will fly because God created you to do so! He is enough! He is Holy and will keep His promises because He cannot be unfair. When the tears are falling and you feel alone, He will comfort you like no one else can. When you need a safe place to hide, He will be your hiding place. When you need a champion to fight for you, God will step up to the plate, flex His muscles, and win the battle for you. Yes, whatever your situation, He is enough!

Conclusion:

Is He Enough?

According to www.livescience.com Michael Dickinson, a professor of biology and insect flight expert at the University of Washington "The whole question of how these little wings generate enough force to keep the insect in the air is resolved," Dickinson told Life's Little Mysteries. "There are details remaining, but it's just not an enigma anymore."

Dickinson published a 2005 study in the journal Proceedings of the National Academy of Sciences on the flight of the bumblebee after gathering data using high-speed photography of actual flying bees and force sensors on a larger-than-life robotic bee wing flapping around in mineral oil. He says the big misconception about insect flight and perhaps what tripped up Magnan is the belief that bumblebees flap their wings up and down. "Actually, with rare exceptions, they flap their wings back and forth," Magnan said.

Yes! He is Enough!

When things seem to be impossible, we have to remember the creator makes no mistakes. He didn't make the bumblebee and then say, "Oops I made the wings too small, or I made the body too heavy. I will modify him so he can fly." NO, God made the bumblebee perfect. He stepped back and looked at His creation and said, "It is good" (Genesis 1: 24 Then God said, "Let the earth bring forth the living creature according to its kind: cattle and creeping thing...And God saw that it was good). So, to answer our question, "Is He Enough," we will conclude this: He is able to do exceedingly abundantly above all that we ask or think (Ephesians 3:20). Our God is not only enough, He is *More than Enough!* Trust Him today for everything you need.
